NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of title II of the Americans with Disabilities Act of 1990 ("ADA"), the New York State Office of the Inspector General, the New York State Office of the Welfare Inspector General, and the New York State Office of the Workers' Compensation Fraud Inspector General (collectively known as "OIG") will not discriminate against qualified individuals with disabilities on the basis of disability in their services, programs, or activities.

Employment: The OIG do not discriminate on the basis of disability in their hiring or employment practices and comply with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: OIG will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in OIG's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: OIG will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of their programs, services, and activities. For example, individuals with service animals are welcomed in OIG offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of OIG should contact **Michele Host, Chief Counsel and ADA Coordinator, 212-635-4366** as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require OIG to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of OIG is not accessible to persons with disabilities should be directed to **Michele Host, 212-635-4366**.

OIG will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
